**Course Access**

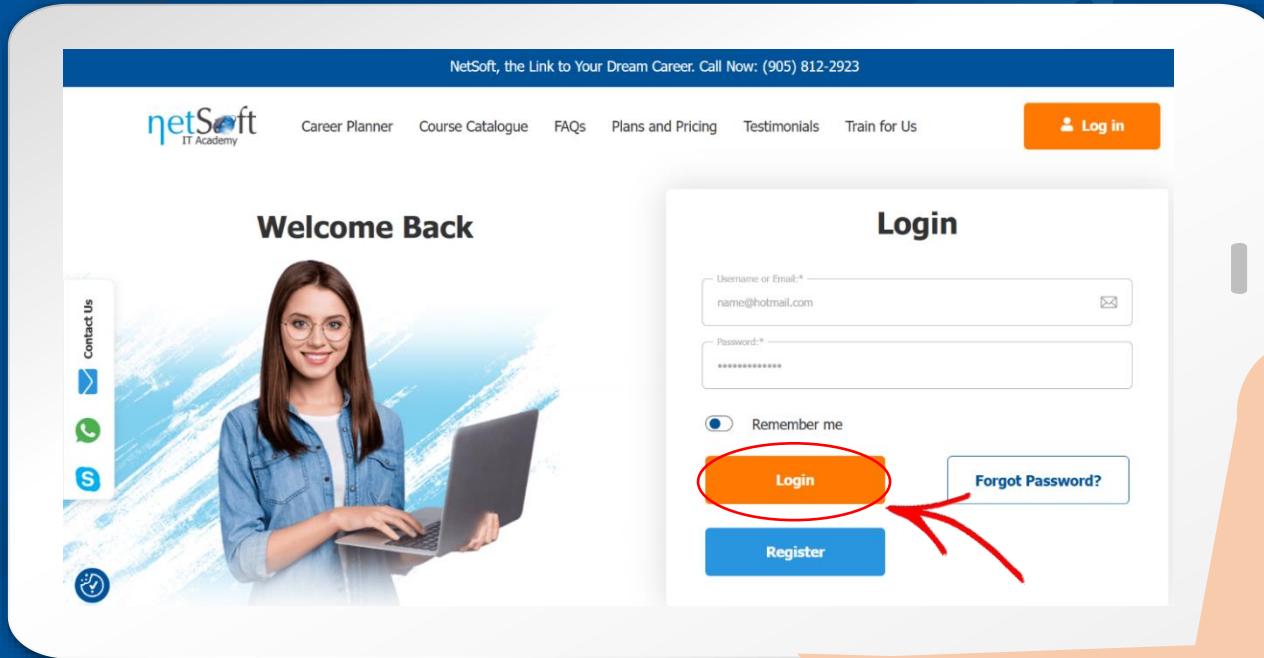

**Step 1**

Navigate to <https://netsoftacademy.com/> website and click on the **Log in** button at the top right corner.

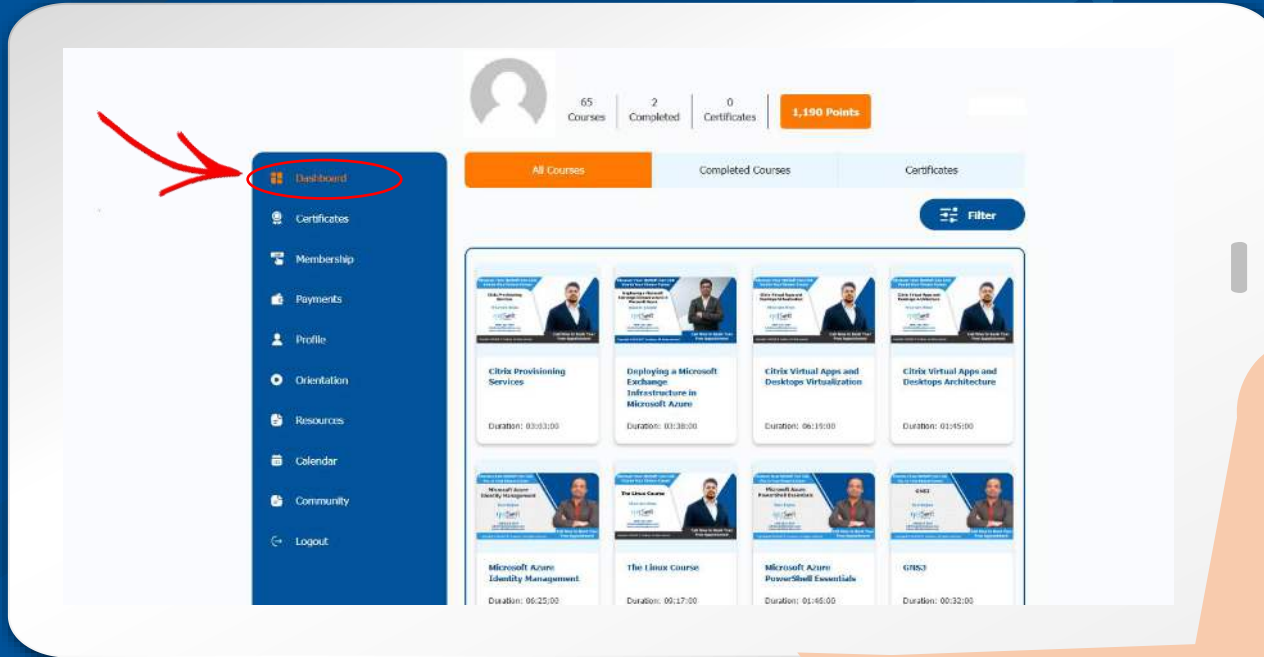

Step 2

Enter your login information and click on the **Login** button.

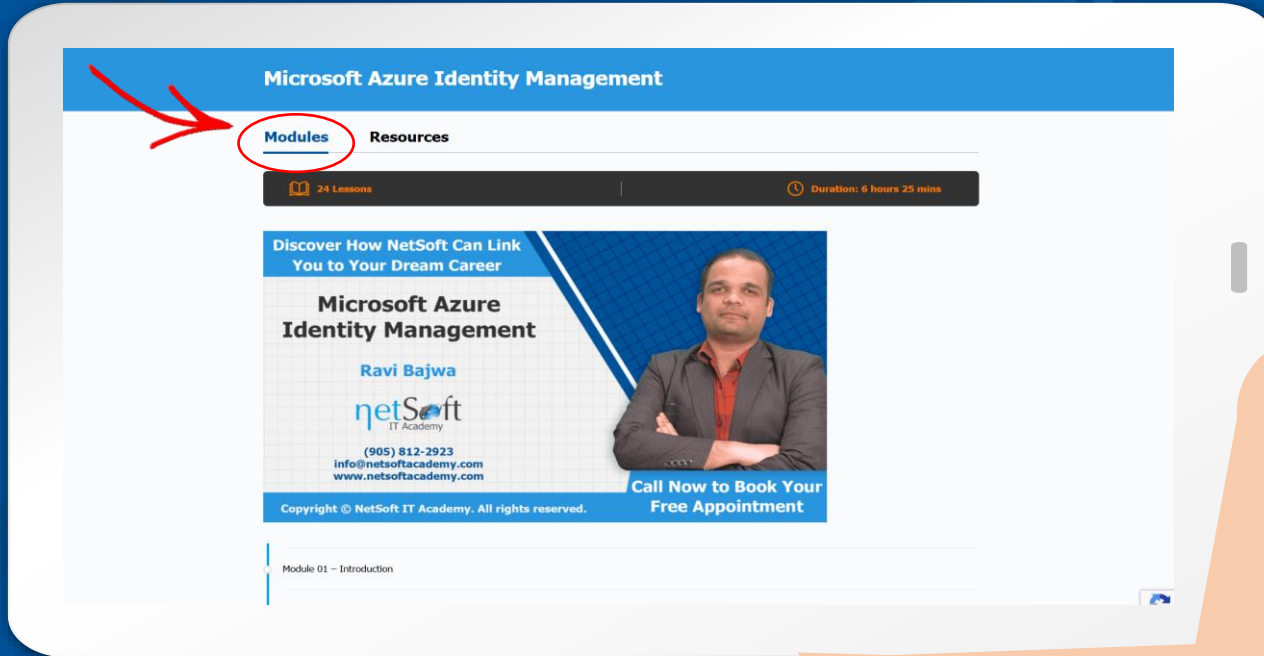

Step 3

Find your purchased courses on the **Dashboard** page.

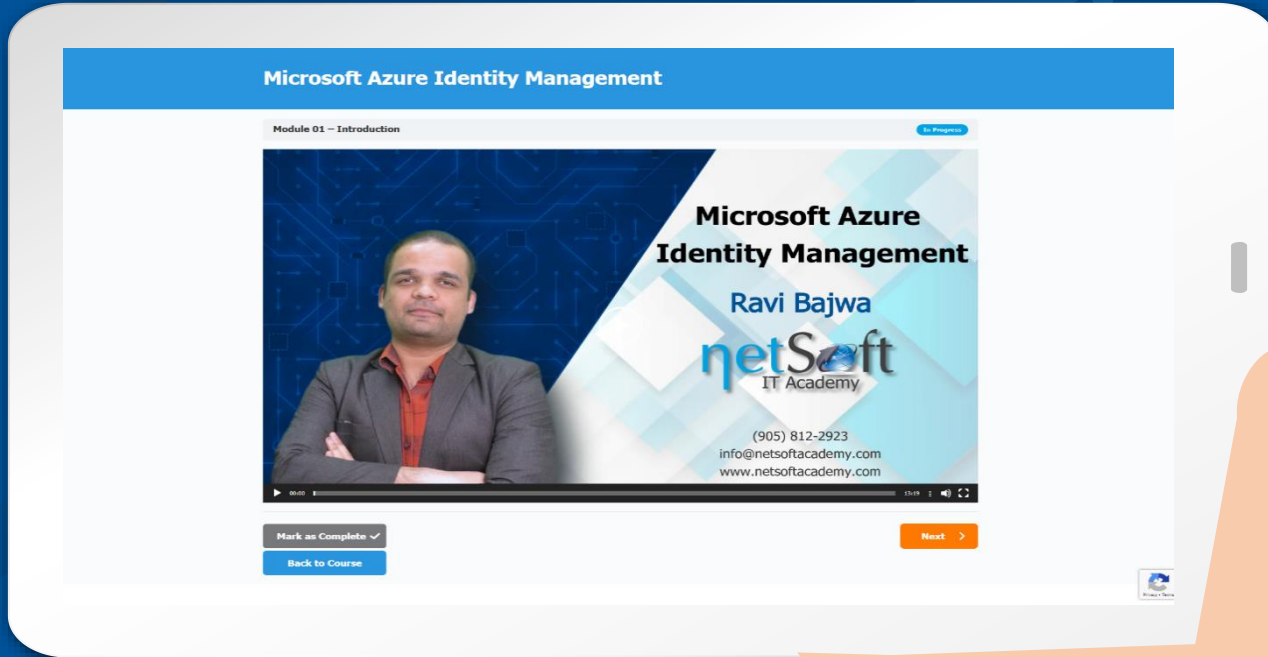

Step 4

Select a course. At the top of the page, you will see two tabs: Modules and Resources. Scroll down to the Modules Page to find your Course Modules.

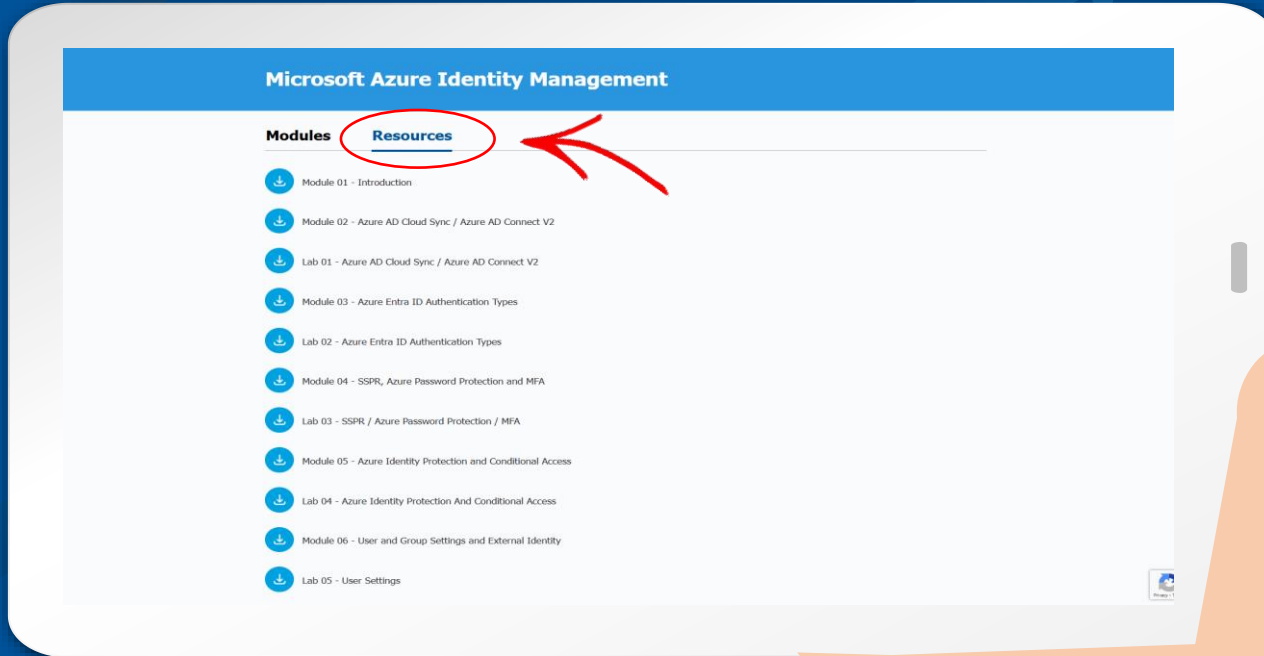

Step 5

Click on a Module to access the Module **Video**.

Step 6

Click on the **Resources** tab to access all the course PDFs.

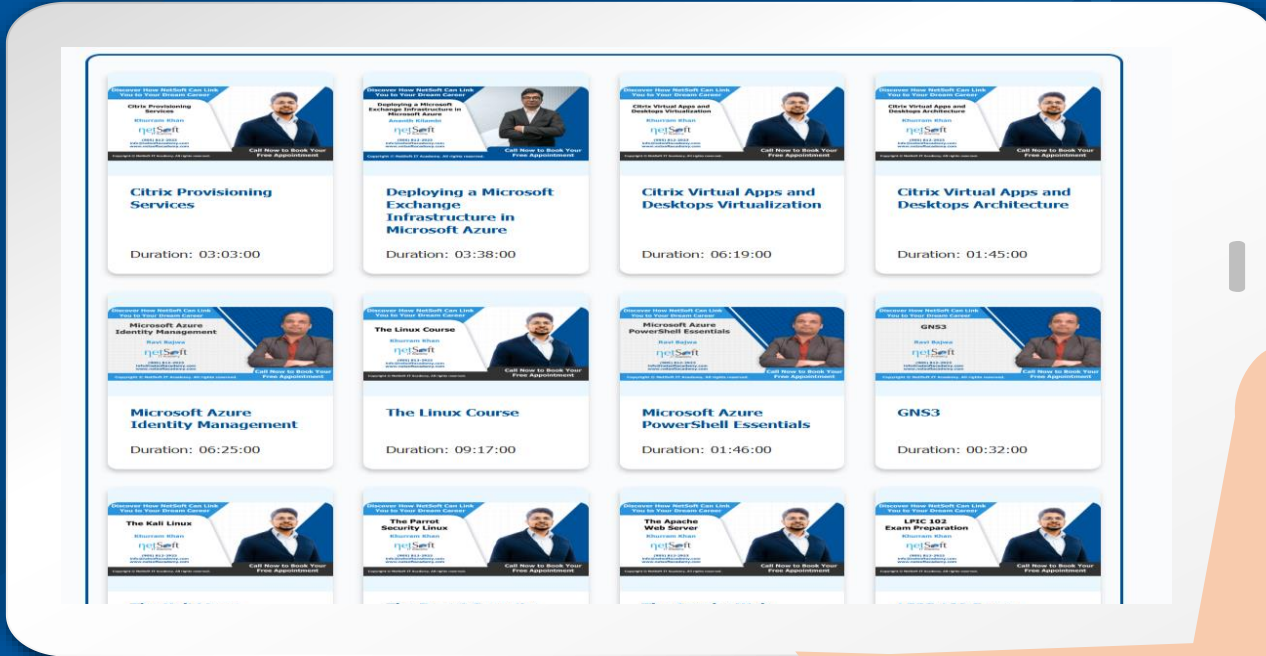

Step 7

Make courses easy to find by using the **Filter**.

The screenshot shows a user interface for a course catalog. On the left is a blue sidebar with navigation links: Dashboard, Certificates, Membership, Payments, Profile, Orientation, Resources, and Calendar. The main content area has three tabs: 'All Courses' (selected), 'Completed Courses', and 'Certificates'. Below the tabs is a grid of course cards. A red circle highlights a 'Filter' button in the top right corner of the main area, with a red arrow pointing to it. A filter overlay is open, showing a 'Keyword' search field and a list of platform categories with checkboxes: Artificial Intelligence, Cloud Computing, Cybersecurity, Miscellaneous, Networking, and System Administration. At the bottom of the overlay are 'Apply' and 'Clear' buttons. The course cards visible include 'Citrix Provisioning Services' (Duration: 03:03:00), 'Deploying a Microsoft Exchange Infrastructure in Microsoft Azure' (Duration: 03:38:00), and 'Citrix Virtual Apps and Desktops Virtualization' (Duration: 06:19:00).

Step 8

Review the entire course curriculum here:

**Step 9**

**Start watching courses and communicate with other community members. Please review the *Community Posting Rules* to familiarize yourself with the communication rules and guidelines for creating a friendly and collaborative environment between you and other community members.**
