

## Course Access

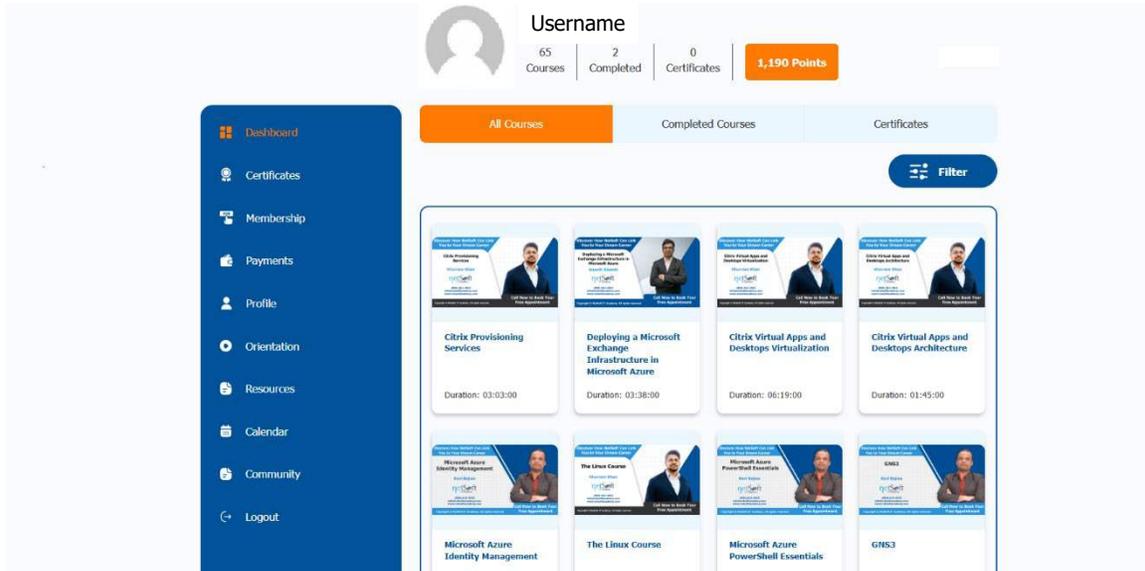

1. Navigate to <https://netsoftacademy.com/> website and click on the **Log in** button at the top right corner.

2. Enter your login information and click on the **Login** button.

3. Find your purchased courses on the **Dashboard** page.

4. Select a course. At the top of the page, you will see two tabs: Modules and Resources. Scroll down to the Modules Page to find your Course **Modules**.

5. Click on a Module to access the Module **Video**.

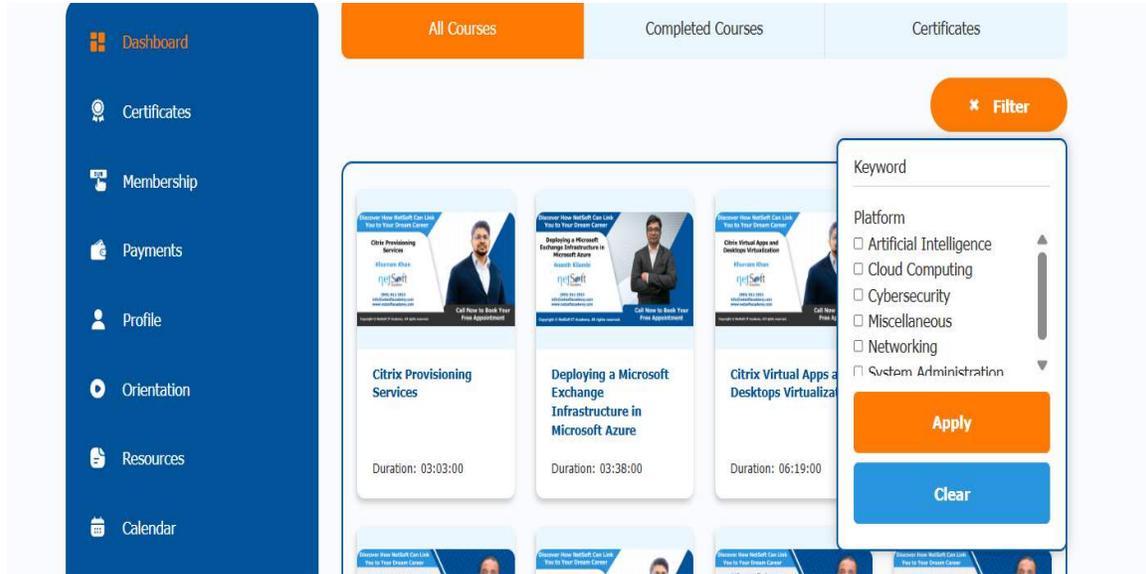

The screenshot shows a video player interface for the course 'Microsoft Azure Identity Management'. The video title is 'Microsoft Azure Identity Management' by Ravi Bajwa, presented by netSoft IT Academy. The video is currently at 00:00. Below the video player, there are three buttons: 'Mark as Complete' with a checkmark, 'Back to Course', and 'Next' with a right arrow.

6. Click on the **Resources** tab to access all the course PDFs.

The screenshot shows the 'Resources' tab selected in the course interface. The tab is titled 'Microsoft Azure Identity Management'. Below the tabs, there is a list of resources, each with a download icon and a title:

- Module 01 - Introduction
- Module 02 - Azure AD Cloud Sync / Azure AD Connect V2
- Lab 01 - Azure AD Cloud Sync / Azure AD Connect V2
- Module 03 - Azure Entra ID Authentication Types
- Lab 02 - Azure Entra ID Authentication Types
- Module 04 - SSPR, Azure Password Protection and MFA
- Lab 03 - SSPR / Azure Password Protection / MFA
- Module 05 - Azure Identity Protection and Conditional Access

7. Make courses easy to find by using the **Filter**.

8. Review the entire course curriculum here:

9. Start watching courses and communicate with other community members. Please review the *Community Posting Rules* to familiarize yourself with the communication rules and guidelines for creating a friendly and collaborative environment between you and other community members.
